

# November 4th is International #LoveYourLawyer Day

11.04.16 | Linda J. Rosenthal, JD

Negative lawyer jokes have been around since (at least!) the time of Shakespeare. Remember this old chestnut?

”

”The **first thing we do, let’s kill all the lawyers...**” – Dick the Butcher, Shakespeare’s ”Henry VI”

It’s part of our culture, and sometimes it is unfortunately justified. The attorneys at For Purpose Law Group, however, strive to serve by providing guidance to the purpose-driven organizations and businesses that **do good**. We do what we do not for the money or the power, but because we believe in what we do... helping our clients to serve those most in need, and to make a positive change in the world.

We’re thrilled that today, November 4th, is Worldwide “Love Your Lawyer Day.” This day of recognition is designed to highlight all of the positive experiences you have had with your lawyers, and to recognize the vast amounts of good work that lawyers do. Click here to see more:
